Depending on factors such as the processing capability of peripheral devices, file attributes, system configuration and operating environments, the actual data transfer rate of USB connectors will vary and is typically slower than published standards.

# Recommended for this device

# Lenovo Powered USB-C Travel Hub

Connects to a PC through a single USB-C cable which also recharges the device  $\,$ 

Connect to an external display with HDMI or VGA, and other peripherals with 2x USB ports

Compact  $183 \times 100 \text{mm}$  (7.2x4") design with integrated cable management

# Lenovo 700 Ultraportable Bluetooth Speaker

Just 11mm (0.43") thin and weighing 145g (0.32lb), this ultra-thin Bluetooth speaker delivers 360-degree sound with 2x 2Watt power output

Supports Siri and Google Assistant voice commands for your iOS and Android devices, as well as a dedicated button for taking calls

Fast-charges in 2 hours and lasts for up to 12hours of audio playback or voice calls

### **Premier Support**

Talk directly with advanced technical support agents

Support for software & hardware

Next business day onsite repairs

Built for professionals on-the-go, the laptop is powered with up to AMD Ryzen 7 Processor and AMD Radeon 660M/680M graphics, resulting in accelerated productivity and enhanced collaboration. WiFi 6E support enables fast and reliable connectivity and helps transfer huge volume of data at blazing-fast speed. Plus, with up to 14.6 hours of battery life users can move anywhere, anytime to get the job done.

#### **REASONS TO BUY**

Up to 2TB SSD storage and up to 32GB DDR5 memory make the system boot faster, enabling executives to multitask easily while managing projects. Connect high-speed peripherals with numerous ports: transfer data faster with dual USB-C 3.2 ports.

A 14" screen with WOUXGA resolution enables users to view intensive datasets and analytics with absolute clarity. With an optional touch display, swipe, zoom, or scroll on the screen with just a click.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

The ultimate productivity notebook, ThinkPad T Series will keep users productive all day with long battery life, docking and enhanced connectivity options, security and manageability features.
