Lenovo ThinkPad

With a 4K OLED panel for efficient viewing, full-size keyboard with numeric KeyPad, larger battery for longer uptime, and additional memory options, the Lenovo ThinkPad T16 Gen 2 *i* is the perfect companion for serious work-from-anywhere productivity. This device also touts a modern, refined design with a sleek form factor.

For this Lenovo ThinkPad, performance is the name of the game thanks to Intel vPro® with 13th Gen Intel® Core™ processors with more powerful discrete graphics options. It's also a true team player with features like enhanced Intel® Wi-Fi 6E, separate 5MP RGB + IR camera option, and Dolby® Voice technology that make virtual collaboration clear and seamless.

Plus, this device is more environmentally responsible than ever thanks to Lenovo's reduced-emissions manufacturing process, PCC recycled materials, and plastic-free packaging with 90% recycled content.
