Lenovo ThinkPad

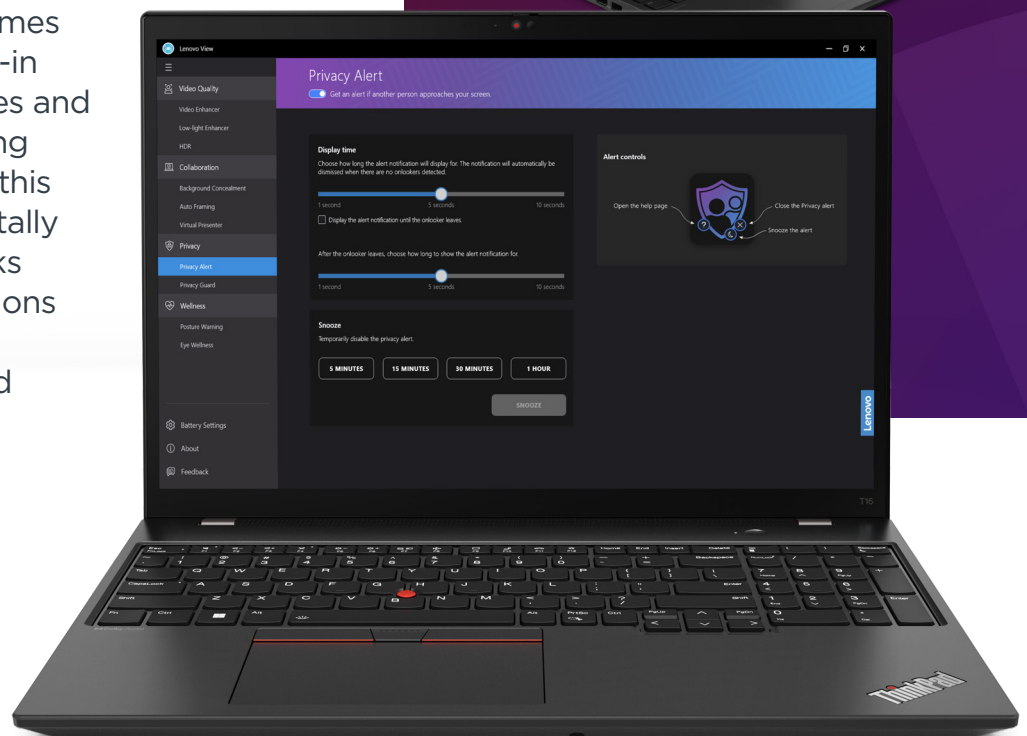

With 4K OLED panel for efficient viewing, full-size keyboard with number pad, larger battery for longer uptime, and additional memory options, the Lenovo ThinkPad T16 Gen 2 is the perfect companion for serious work-from-anywhere productivity. This device isn't just about function; it's also about refined design with a sleek form factor that's just 20.5 mm.

For this Lenovo ThinkPad, performance is the name of the game thanks next-generation AMD Ryzen™ PRO processors with 25W thermal design power, plus the latest AMD Radeon™ Graphics. It's also a true team player with features like enhanced Wi-Fi 6E, separate 5MP RGB + IR camera option, and Dolby® Voice technology that make virtual collaboration clear and seamless.

Multi-layered protection comes from a combination of built-in ThinkShield security features and AMD PRO Security, including AMD Memory Guard. Plus, this device is more environmentally responsible than ever thanks to Lenovo's reduced-emissions manufacturing process, PCC recycled materials, and sustainable packaging with 90% recycled content.
