THINKVISION S28u

MAXIMIZE YOUR EFFORT AND REALIZE YOUR VISION

Lenovo

A MONITOR TO ELEVATE YOUR BUSINESS

The ThinkVision S28u-10, sporting a 28-inch In-Plane Switching panel, offers professional features while remaining a smart and intelligent business investment. The 4K UHD resolution screen has a 99% accurate sRGB color gamut and 90% accurate DCI-P3 color gamut, delivering pixel-perfect clarity that's ideal for multitasking, analytics, and graphic designing tasks. The NearEdgeless screen with wide viewing angles is aesthetic and enhances collaboration capabilities. Equipped with both an HDMI port and DisplayPort, the display delivers flexible connectivity. For maximum user comfort, the ThinkVision S28u-10 uses leading eye protection technology like Natural Low Blue Light emission and Eyesafe Display Standard (to be certified). These minimize eyestrain and enable an enjoyable viewing experience without color distortion.

FEATURES OF THINKVISION S28u-10

Eye-catching Display

Experience superior visual output on the ThinkVision S28u-10 that has a 7.5% larger display area than 27-inch monitors of the same resolution. Crystal-clear visuals on the 4K UHD In-Plane Switching panel means no detail is too small. Colors are vivid and bright with the >99% sRGB and 90% DCI-P3 color gamut providing 1.07 Billion colors for impeccable accuracy.

Comfortable User Experience

Enjoy more productive hours on the ThinkVision S28u-10 that is TÜV Rheinland Eye Comfort Certified with flicker-free technology and reduced reflections. Eye strain is minimized thanks to Nature Low Blue Light solution. Eyesafe Display Certification—that meets the industry standards for Natural Low Blue Light and accurate color performance—reduces harmful blue light without color distortion.

Enhanced Connectivity

The monitor has HDMI 2.0 and a DisplayPort 1.2 that provide improved connectivity required for modern businesses. The 100 x 100 mm VESA Mount makes the ThinkVision S28u-10 monitor easily deployable in a variety of scenarios. Additionally, the quick release tilt stand ensures the monitor is easy to set up and flexible to use.
