Lenovo ThinkPad T14s GEN 2

Elevating business computing, the newly redesigned ThinkPad T14s Gen 2 combines mobility and performance for the ultimate productivity experience in today's hybrid work environment. Powered by the latest AMD Ryzen™ 5000 series processors, the ThinkPad T14s Gen 2 delivers leadership performance, the most modern security features, and enterprise-class solutions. Enabling up to 32GB LPDDR4x RAM for faster processing, this powerful machine lets you tackle every task with confidence.

Get state-of-the art connectivity with WiFi 6 and optional 5G to drive new levels of efficiency wherever your desk takes you. And with added security features like AMD Shadow Stack, the new Power-on Touch Match on Chip Fingerprint Reader, and upgraded hybrid FHD IR webcam with privacy shutter, the ThinkPad T14s Gen 2 ensures your data stays yours.

Lenovo ThinkPad T14s GEN 2

ALWAYS ON, ALWAYS CONNECTED

The ThinkPad T14s Gen 2 includes productivity-enhancing features like Modern Standby, which enables the machine to wake in one second and connect to the internet one second later, and WiFi 6, delivering faster data rates and lower latency for higher performance.

FUN MEETS FUNCTION

The ThinkPad T14 Gen 2 is designed to make work a pleasure and downtime even more so, with display options that include stunning AMD Radeon™ integrated graphics for a vibrant viewing experience paired with a user-facing Dolby® Audio™ Speaker System for enhanced sound.

SECURE CONFIDENCE

With an updated suite of ThinkShield security solutions built in, the ThinkPad T14s Gen 2 protects your data with features like the webcam privacy shutter and new Power-on MoC Touch Fingerprint Reader. Plus, AMD security provides innovative layers of defense at the silicon, OS, and platform levels.

STYLED FOR SUCCESS

A new Storm Grey aluminum finish with tone-match keyboard and evolved carbon fiber design make the lightweight ThinkPad T14s Gen 2 the perfect business package, delivering premium beauty and function.

performance

ThinkPad T14 Gen 2 is built to perform with up to the latest AMD Ryzen™ 5000 series processors, up to 32GB LPDDR4 (4266MHz) memory, and up to 2TB of storage.

connectivity

Thanks to features like Modern Standby—wake in one second, connect to the web in another—and WiFi 6 capability, the ThinkPad T14s Gen 2 is always ready to go.

design

The refined premium Storm Grey aluminum finish with tone-match keyboard and user-facing audio with larger speakers make the new ThinkPad T14s Gen 2 look and sound as stunning as it performs.
