MULTI-MODE STUNNER

PURE POTENTIAL WITH POWER-PACKED PERFORMANCE.

Powerful Computing: the brand new AI-enhanced, up to 11th Gen Intel® Core™ i7 processor on Lenovo ThinkBook 14s Yoga lets you breeze through tasks and helps you get more out of your day.

Dolby® Vision™ Display: enjoy rich and deep color reproduction that delivers a vivid visual experience, and with a 100% sRGB color gamut, images are always true-to-life.

Smart Power On: power on and log in with one touch using the Touch Fingerprint Reader integrated on the power button, just like a smartphone.

Dual SSD¹ Storage and Memory: supercharge your computing experience with dual-channel storage and memory that enable seamless multitasking, faster load times, and speedy responsiveness across all functions.

The Latest Ports for Breakneck Speeds: equipped with Thunderbolt™ 4 and USB Type-C ports that allow rapid data transfers and amplified connectivity to monitors and peripherals.

ELEGANT DESIGN. ROBUST BUILD.

Set the Trend: Lenovo ThinkBook 14s Yoga always looks the part—available in a limited-edition Abyss Blue variant that exudes class, while looking professional, and in mineral gray for an all-business look.

Ultra-portable, 3-side Metal: at 16.9mm, it is one of the thinnest notebooks out there, and weighing just 1.5kg/3.31lbs., you can work in style from anywhere. 3-side metal exteriors add to its premium feel and sturdy build.

4-side Narrow Bezels: see more on the Full-HD screen with razor-thin bezels across all sides and an 86% screen-to-body ratio that enhances work and entertainment.

Service Hot Key: getting device support is simple when you don't need to remember phone numbers or device details. Get access to support services with just a keystroke thanks to a dedicated service key.

Corning® Gorilla Glass, Touchscreen: the full touchscreen display enables intuitive navigation, adding a personal touch to your user experience. Made with Corning® Gorilla Glass, it is robust and durable, so you can go about your day without worry.

VERSATILE AND INTUITIVE, EVERYWHERE YOU GO.

Multiple User Modes: Lenovo ThinkBook 14s Yoga can bend and adapt to your needs, always. The fluid form factor with four user modes—laptop, tablet, tent, and present—lets you turn any space into your workspace.

Smart Pen: take notes, sketch designs, and sign documents with a pen that is in sync with your workflow. When the screen is locked, just pull the pen out of its slot to open the note-taking app. For easy access to the Windows Ink workspace, simply pick up the pen to get going.

Modern Standby: stay connected even with the lid closed—from downloading files whenever Wi-Fi is available to receiving email and IM notifications.

HARMAN Speakers and Dual-array Mics: collaborate better with optimized audio output and voice-capture for high-quality video conferencing.

Dependable Battery Life: the 60Whr battery keeps going, so you can work without worrying about carrying your charger or looking for a power socket.

Smart Features: Boot your device by just opening the lid. Intelligently upscale image quality for clearer visuals. In-built AI noise cancellation on embedded mics make meetings productive. Selects the ideal mode for your mic: Private, Shared, or Environmental. Filter out blue light on your display for added eye comfort. Dynamic thermals adjusts itself to optimize performance.

RECOMMENDED ACCESSORIES

THINKBOOK URBAN BACKPACK PN: 4X40V26080

A multi-functional backpack with an anti-theft pocket ensures security on the move. The padded PC compartment offers cushioned comfort, while the high-quality fabric and stylish PU leather accent add to the contemporary design.

THINKBOOK BLUETOOTH SILENT MOUSE PN: 4Y50X888XX

The sleek and convenient sidekick your PC deserves. Modern, low profile, ambidextrous design with silent buttons makes it a premium peripheral you won't want to do without. Get more precision and control with dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400. The mouse works on any glossy surface with a blue optical sensor that has a track-on-glass compatibility.

LENOVO POWERED USB-C TRAVEL HUB PN: 4X90S92381

Travel-Ready Productivity Powerhouse; One-stop travel docking is finally here. Connect and charge new and legacy devices wherever you happen to be. Sleek and compact, the Lenovo Powered USB-C Travel Hub fits unlimited productivity inside your everyday bag. Pair with 2019/2018 selected ThinkPad systems for best results and powerful enterprise features;; *Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate using the various USB connectors on this device will vary and will be slower than the defined data rates: 5Gbit/s for 3.1 Gen1 (3.0)
