MODERNIZE MULTITASKING

COLLABORATE BETTER.

Smart Info: take quick notes during meetings, limit distracting notifications, and keep track of the important ones—all on the 10.8-inch e-ink display on the A-cover

Skype for Business¹ Hot Keys: instant connectivity with one key to answer and one to hang up; eliminates searching for on-screen buttons

Immersive Audio and Video: effective VoIP calls with HARMAN-branded speakers for impeccable sound clarity, and Full-HD IPS panel with Dolby[®] Vision[™] for vibrant visuals,

Skype-certified Mics: ensures crystal clear conversations during Skype for Business calls

WiFi 6: the latest Intel[®] WiFi technology enables seamless and latency-free conferencing anytime, anywhere

CREATE SMARTER.

Quick Notes and Easy Sketches: pen down ideas, doodle, sketch, or draw on the cover screen with a digital pen, so your amazing ideas don't go unnoticed

Ultraslim, Metal Body: a lightweight aluminum body that starts at 1.40kg/3.08lbs. thin to tap into creativity whenever and wherever inspiration strikes

Panel Performance: narrow-bezel (L/R), Full-HD, IPS main display, and battery-efficient, easy to read e-ink display, Corning Gorilla Glass

Elegant, Purposeful Design: ergonomic, full-size keyboard for comfortable typing and large touchpad for convenient navigation and Windows 10 gestures

Personalization: make your laptop look distinct with a screensaver on the e-ink display on the laptop cover

Discrete Trusted Platform Module (dTPM) 2.0: ensures your ideas remain yours with Windows 10 security features and data encryption

REVIEW & ANNOTATE EASIER.

E-Reader: read, review, or annotate documents² quickly without distractions on the secondary e-ink display

Powerful Processor: compare and edit complex spreadsheets, documents, and designs across multiple tabs, enabled by powerful 10th Gen Intel[®] processors

Standard SSD: run heavy applications without lag and jitters; up to 512GB PCIe SSD offers an instantaneous response that is up to 18x faster than HDD³

Full Function USB Type-C: extend your PC's screen using its full function USB Type-C port that also enables data transfer and device charging

RESPOND FASTER.

Smart Power Button on Side Wall: connect instantly by logging in with your fingerprint and unlocking the device in just one step—like a smartphone

Modern Standby: resumes in less than 0.5 sec and allows instant email updates after resuming

¹Requires Skype for Business account, not pre-installed

²PDF documents only

³Under standard laboratory test environment.

⁴Optional

Up to 10th Gen Intel[®] Core[™] i7 processor

RECOMMENDED ACCESSORIES

THINKBOOK PLUS 13.3-INCH SLEEVE (Included) AVAILABILITY - MAY 2020

Keep your ThinkBook Plus safe and snug. Its soft-touch microfiber interior with foam padding protects the e-ink display and has an easy-open magnetic overlay closure, making this a perfect accessory for the ThinkBook Plus.

THINKBOOK BLUETOOTH SILENT MOUSE PN: 4Y50X888XX, AVAILABILITY - APRIL 2020

This tiny accessory will be the sidekick your PC deserves. Modern, low profile, ambidextrous design with silent buttons makes it a premium peripheral you won't want to let go of. Get more precision and control with dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400. Equipped with a blue optical sensor with track on glass compatibility, the mouse works on any glossy surface.

THINKPAD USB-C DOCK GEN 2¹ PN: 40AS0090XX

Connect your ThinkBook Plus to multiple devices and engage in seamless multitasking with this versatile dock. Review documents or analyze data on bigger screens by connecting it to single UHD display at 30Hz or dual Full-HD displays. Experience lightning-fast data transfer speeds of up to 10Gbps will via a single cable USB Type-C port that also enables power and video delivery. The dock also offers you more control over your ThinkBook Plus with features like Wake-on-LAN from sleep mode, PXE boot, and MAC address pass-through.

¹ThinkPad USB-C Gen 2 Dock doesn't support ThinkBook Plus power charging. Additional power adapter required.
