

Lenovo ThinkPad X1 Extreme GEN 3

For users who need powerful, fast graphics capabilities yet want a slim, sleek, portable device, ThinkPad X1 Extreme Gen 3 provides both. This large-screen laptop features the nuanced design that Lenovo's ThinkPad X1 series is known for, coupled with processing power typically only found in a workstation to give users the best of both worlds, whether at work or at play.

ThinkPad X1 Extreme Gen 3 offers an immersive audiovisual experience that graphics-heavy users demand. It also helps you save time with new features like Modern Standby, which enables the device to wake from sleep in less than one second and browse the web a second later, and one-touch calling using the new unified communications (UC) functions. For everything you do for work and for fun, ThinkPad X1 Extreme Gen 3 is the powerful, sleek and smart choice.

Lenovo

Lenovo ThinkPad X1 Extreme GEN 3

PICTURE THIS

With its expansive 15.6-inch display and panel options that include 4K UHD IPS 600nit Dolby Vision® Panel and 4K UHD OLED Touch HDR True Black Panel, ThinkPad X1 Extreme Gen 3 makes viewing a pleasure. Its GeForce GTX discrete graphics card makes performing graphics-intensive work as fast and fun as playing your favorite video game.

RICHER SOUND

The Dolby® Atmos® Speaker System features upgraded, Dolby Atmos® certified and tuned speakers for an immersive, robust sound experience that makes everything—even video and VOIP conference calls—more enjoyable.

BUILT FOR BYOD

With an updated suite of standard ThinkShield security solutions built in, including dTPM 2.0 chip and biometric authentication factors, ThinkPad X1 Extreme Gen 3 has the enterprise-level security that employers require. Plus, it's engineered and tested to withstand the bumps, drops, and spills that can occur during the morning commute or a late-night gaming session.

SPEED DIAL

Little conveniences can save a lot of time. With new UC functions on the F9 through F11 keys, ThinkPad X1 Extreme Gen 3 enables you to conference in quickly by placing calls directly from your laptop with the touch of a button.

Lenovo

speed

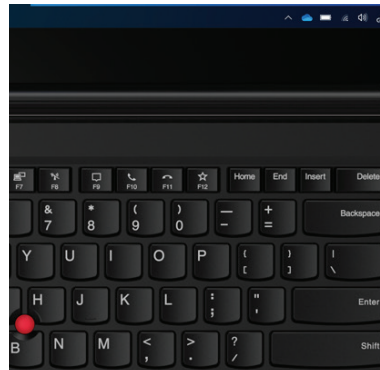

ThinkPad X1 Extreme Gen 3 features faster DDR4 memory and the newest generation of Intel® Core™ vPro™ processors to keep up with heavy-duty content creation and consumption.

security

Enhanced ThinkShield features and biometric authentication features, such as touch fingerprint reader and IR camera, keep your data and your device secure from intruders.

optional services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

WARRANTY UPGRADES

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place. In addition, with Tech Install CRU service the installation of all internal Customer Replaceable Unit (CRU) parts will be done on your behalf by a trained technician.¹

ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.^{1,2}
