

# Lenovo ThinkPad X1 Yoga GEN 6

The newly redesigned ThinkPad X1 Yoga Gen 6 has been reimagined to bring an improved end-user experience. The larger 16:10 displays, wider touchpad, larger battery, and the new Storm Gray color with tone-matched keyboard combine to deliver exceptional beauty and function. Plus, Intel® Evo™ certification for responsiveness, performance, and readiness ensures confidence in this uncompromising convertible.

The new ThinkPad X1 Yoga Gen 6 resets the expectations for a business convertible with the latest 11<sup>th</sup> generation Intel® Core™ i7 vPro® processors, Intel® Iris® Plus X<sup>e</sup> Graphics, and up to 32GB memory for formidable performance. These new user experiences, combined with the flexible form factor, make this device the perfect companion for whatever your work (or play) style.

# Lenovo ThinkPad X1 Yoga Gen 6

Lenovo

## performance

The ThinkPad X1 Yoga Gen 6 is designed for mobile performance with Intel® Evo™ certification and features up to 11<sup>th</sup> generation Intel® Core™ i7 vPro® processors and up to 32GB LPDDR4x memory for powerful capability.

## flexibility

Thanks to its 360-degree hinge, the ThinkPad X1 Yoga Gen 6 quickly moves between laptop, tablet, tent, and stand—there's a mode for wherever today's desk might be.

## productivity

Do more, faster, with the advantages of 5G connectivity. And the larger 57Whr battery delivers up to 15 hours of productivity independent from the plug.<sup>1</sup>

<sup>1</sup>Based on MobileMark 2018. Battery life varies significantly with settings, usage, and other factors. Projected up to 15 hours using MM18. Official claims/final results TBD. Official results will be available at results.bapco.com at product launch.

### REDESIGNED FORM AND FUNCTION

The ThinkPad X1 Yoga Gen 6 boasts an increased screen-to-body ratio, two Thunderbolt™ 4 ports, and a striking new Storm Gray color. Get smooth productivity when in laptop mode with the C-cover power button, wider 110mm touchpad, and sleek backlit keyboard.

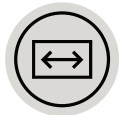

### COOLER CAPABILITIES

The dual fan design with rear venting improves the Intelligent Thermal Solution to keep your ThinkPad X1 Yoga Gen 6 cool while you're hot on the trail of success.

### ENHANCED SECURITY

With an updated suite of integrated ThinkShield security solutions, the ThinkPad X1 Yoga Gen 6 protects your device and your data with features like the new Power-on Touch Finprotects your device and your data with features like the new Power-on Touch Fingerprint Reader, dTPM 2.0 chip, optional human presence detection sensor (HPD), integrated privacy screen option and webcam privacy shutter.

### IMMERSIVE EXPERIENCE

The refined 16:10 display delivers narrow bezels and more pixels for a richer, higher-resolution view. The UHD+ Dolby Vision, Intel® Iris® Xe graphics, and Dolby® Atmos® speaker system with Dolby® Voice result in an uncompromising audiovisual experience. Plus, low blue-light panels reduce harmful blue light exposure.
